

MUSIC PRODUCTION

The art of creating music is a powerful means of transforming the human experience in countless ways, through a myriad of musical mediums. Rocky Mountain College of Art + Design can help you turn your passion for music into an exciting future, where you're not just learning how to create music, you're also learning how to bring it to the world.

RMCAD's Online Music Production BFA Program incorporates the diverse technical, cultural and creative elements of today's music industry, and weaves them together to provide students with the skill sets they need to reshape tomorrow's music and multimedia production industries.

PROGRAM OUTCOMES

Program outcomes can be found in the RMCAD Academic Catalog and serve the Institutional Learning Outcomes. These are Rocky Mountain College of Art + Design's overarching goals and competencies, which include: cultural competence, communication competence, design competence, and critical thinking. In addition to meeting program outcomes, students enrolled in Music Production will also fulfill requirements in Liberal Arts and Foundations.

SKILLS YOU'LL GRADUATE WITH

Music Theory and Composition, Audio Engineering, Sound Design, Digital Production

AFTER GRADUATION

The Online Music Production BFA Program is designed to help you build a strong, relevant portfolio that demonstrates your mastery of musical knowledge, technology skills and business principles. A portfolio that allows you to leverage your creativity and skill set towards the exciting future you envision

ABOUT RMCAD

Founded in 1963, RMCAD is a regionally-accredited institution of higher education that offers undergraduate and graduate-level degree programs focused on the arts, design, education, technology, and business. The college is dedicated to the personal success of each student, whether they choose to pursue their studies on campus or online. RMCAD offers courses taught by practicing industry professionals; an intimate learning environment; multimedia-rich online classes; and a beautiful Denver campus. Our goal is to allow artists and designers to find their voice, discover their own paths, and thrive as professionals.
